Dilemma Card

What is the right thing to do?

What is the right thing to do?

Yeading Junior School

It's a warm sunny day and you are shopping with your family. You see a blind person waiting to cross the road on the crossing however, there are too many cars. You ask your family if you can go onto the crossing to help the person cross the road. They say no because the blind person is a stranger.

What would you do? Would you persuade your family to help?
Or would you walk away?

What can you say that will change your family's mind?

Think points!
