

Your **Charity**

- What problem would you try and solve?
- Where would your charity work?
- What actions would your charity take to try and solve that problem?
- Where is your funding going to come from?
- What is your charity called?
- How are you going to tell people about your charity?

Your **Charity**

Is compassion always a good thing?

If someone is driven by compassion, do they always do good?

Your Charity

A summary of the trouble at
Kids Company:
