

Honesty

Role Play Scenarios

Your friend is ready to go out and asks you if her top looks nice. You don't think it suits her - you think the colour looks wrong and it doesn't fit well. You know that she feels self-conscious about how she looks. What do you say?

Honesty

Role Play Scenarios

Your dad was disappointed that you got really low marks at school and you promised that you'd try harder – it means a lot to him that you do well in school. You haven't done a lot of work this term because your friends have been going out a lot and you've wanted to go with them. You've also been messing around in class because you're bored of the work you have to do. Your dad asks you what grade you're going to get this year. What do you tell him?

Honesty

Role Play Scenarios

You're out with your friends and they dare you to steal some lipstick from Boots. It's one you've wanted for ages but you can't really afford it. If you back down, your friends will laugh at you, but if you do it, you'll get respect from them and you'll have the lipstick you want. What do you do?

Honesty

Role Play Scenarios

A family friend has a really expensive Jaguar car which you love. He's been telling you how much he likes it, and he lets you sit in it and try it out. You take a photo of it and post it on Twitter, telling people it's your car. People are complimenting you on your great car and you've got loads more followers. Should you take it down?

Honesty

Role Play Scenarios

Your girlfriend tells you she is pregnant, about 3 months. She's too scared to tell her parents and doesn't want to do anything about it. She begs you not to tell anyone. What do you do?

Honesty

Role Play Scenarios

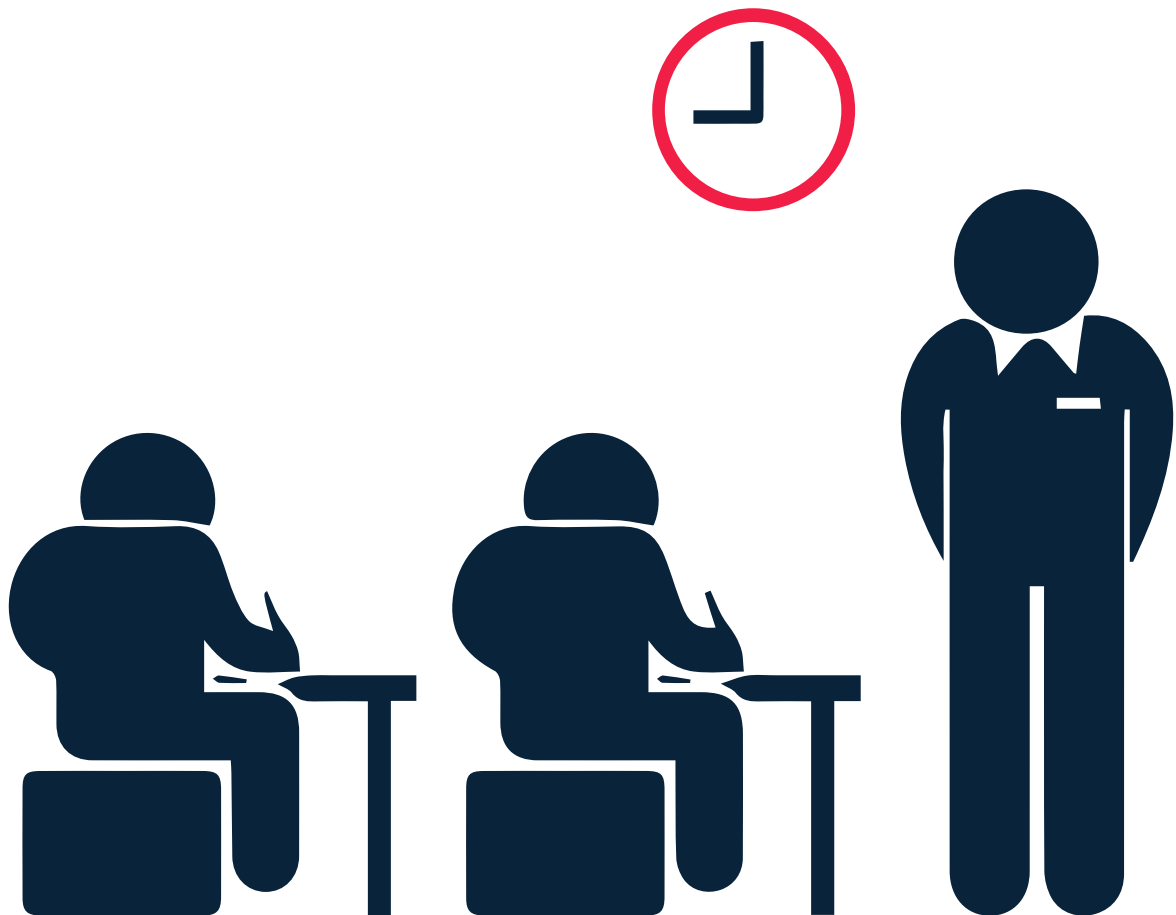

One of your friends is going to a party being held by one of her friends who you don't know that well. It's being held in another part of town so you'll have to get the bus there and you're not sure how you'll get back home. You tell your Mum that you're going to stay at your friend's house. Your grandma is sick and your Mum calls your mobile when you're at the party. What do you do?

Honesty

Role Play Scenarios

You're in an exam and you see someone near to you drop a sheet of paper on the floor which you can see has some helpful answers on it. Do you look at the piece of paper?

Honesty

Role Play Scenarios

You got drunk when you were on holiday with your sister and you cheated on your boyfriend. It was somewhere totally different, nobody knew you, and you don't have any contact details for the person you cheated with. Your boyfriend suspects nothing. Do you tell him?

Honesty

Role Play Scenarios

A family friend has been working really hard with you to help you get the exam qualification you need to go to college. He asked you to complete the last bit of work for the assessment and you told him you'd done it. When he finds out you haven't done it, he is really upset and tells you he's disappointed in you. Do you make up an excuse for why you didn't do the work?
