Dear Heroes of the Pandemic, ,

THANK YOU

The pandemic has brought the greatest challenge to us all
So here is my thank you, spoken from the heart
To everyone who helped us through the toughest times
And gave so much to play their part

The doctors, nurses, drivers, teachers,
Our friends, neighbours and many more
The strangers we had never met
Who delivered food parcels to our doors

Courage shown by many,
The legacy of Captain Sir Tom Moore
Bringing pride and hope to our nation
Bringing rainbows to every door

We have learnt that together we are strong
And now nothing can break our bonds
Friendship, love and kindness in abundance
Reminding us we all belong

Thank you for your generosity
Helping those alone, sick and in need
Building a better future for us all
In each other we can trust and believe

Thank you for inspiring us
to make the world a kinder place
Opening our hearts, reaching out
Showing us the true meaning of grace

Thank You. From, Euan Macfarlane
