Dear DaD,

I thank you for helping MUM in these hard times by bringing MUM to chemo saving her when she had a seizure. Making sacrifices for us helping build the house always making sur he has time for all of us.

puting us before anything else quitting his job to help.

Making funny jokes to make the day better bringing out the best in evryting.

Making sure evrybody is happy in these hard times hes been doing evrything he can

for us and overall he is a very sweet man and I thank him so much for evrything all the sacrifices hes made.

Evrything he does is a kind act he never gives up on anything.

Thank You. From, Jay Jay
