Dear Mrs Jones,

I am writing this letter to tell you that you have been an inspiration to all of us in the school. You have shown us great resilience by having the school open during the lockdown.

During the pandemic, our school has seen many changes. New rules have been put in place to keep us all safe and secure, from different play zones and times, to access to the toilets.

Our school, led by you Mrs Jones, has been working as a team with different organisations to keep us open safely. The compassion you have shown towards us children, families, staff and wider community by guiding us through new routines, set by the Government, has made it possible for us to come to school where we can learn and play again with our friends safely.

I feel proud to belong to a school with such a tenacious head teacher.

Mrs Jones, you have enabled us all to return back to school, although worried, these feelings dispelled on my first day back.

Thank You. From, Mahathi
