

**What would the title of your
autobiography be?**

**In a film of your life,
who would play you?**

**What's been the high point
of your life so far?**

**What's been the lowest point
of your life so far?**

Why are you here today?

**What will you be doing on this
day in 5 years' time?**

**Which song lyrics
mean the most to you?**

**Which comedian makes you
laugh out loud?**

Who's your favourite DJ?

**Which reality TV show
would you most like to appear on?**

Which radio station do you listen to?

**Which newspaper (online)
do you read?**

**What's your most precious
possession?**

Who is your favourite person?

**Who do you message
or text the most?**

**What's your favourite or
most worn item of clothing?**

**What's your most cherished
holiday memory?**

If you hosted 'Come Dine with Me' what would you cook and who would you invite?

What does your last
text message say?

If you turned on your music player,
what's the first song it would play?
