

Democracy Quiz

1. What does the term 'democracy' mean?

Government by the people or their elected representatives

2. Where is UK Parliament based?

London

3. What is the Government?

It is the group of most senior politicians in the majority party in Parliament – including the Prime Minister and the Ministers of State

4. Who is the current Prime Minister?

Boris Johnson

5. What is the difference between government and parliament?

Government: The leading party in parliament.

Parliament is made up of 3 sections; 650 MPs in the Commons, 740 Lords in the House of Lords, and one Queen!

6. Why do we have parliament?

- a. **Holding the government to account** - Checking what departments are doing and how they are spending public money.

They do this by:

- Asking questions in the House of Commons;
- working on committees which run investigations and make recommendations to the government.

L1 - What is democracy

b. Making and amending laws

- Everyone in Parliament can debate about draft laws then and vote on them.

c. Representing UK Citizens

- All MPs are voted for and it is their job to support and represent their citizens.
